

## **Those who profess**

[R Hodges](#) © Oct 2023

They profess of their quest  
which they try to express  
and confess, more or less,  
--or is it a guess?--  
to making a mess  
of their souls.

They may dress to impress  
but they still fail the test  
of having the zest  
in the heart in their chest  
to invest in success  
and be bold
